

GREENHOUSE

To celebrate a decade at Greenhouse restaurant,
Chefs Peter Tempelhoff & Ashley Moss have designed a
decade-spanning commemorative menu for the occasion,
aptly called...

TEN

10 years | 10 dishes

*"I have seen many amazing dishes and concepts leave
the Greenhouse kitchen over the past decade, revisiting &
reincarnating the 10 best is an exciting prospect for my team
and me. Having the opportunity to reacquaint our guests,
both old & new, with these prodigal gems is especially rewarding.
This exciting menu represents the best of my ten years behind
the pass; I am very proud of it and am confident that guests will
love these '2.0 versions' as much -or more- than the originals."*
